SUITE RETREATS

Three ways to get the
bedroom and bath
you've always wanted

HOW TO:

Refresh an outdated bath
Paint a *faux-granite* countertop
Make your kitchen safer

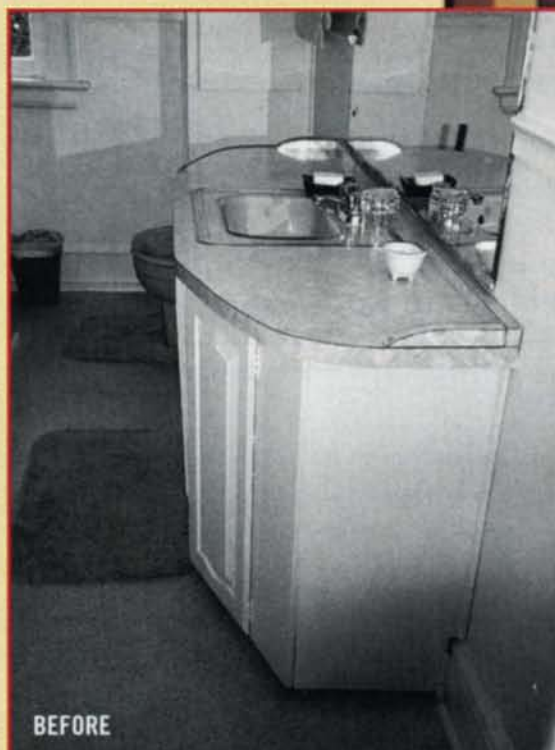

SPECIAL EFFECTS

fancy finishes add flair

*An old bath
gets a fabulous
new look,
without any
costly structural
alterations*

Commissioned to refurbish a dated bath without adding square footage, designer Monika Kakoschke came up with this glamorous scheme, right. Thanks to an abundance of rich materials, the new bath is a dramatic departure from the dreary original even though the fixtures and layout remain unchanged (see Before photo).
